TRAVELLING EXPERIENCE

*“I feel extremely fortunate and grateful to **Daytona** for letting me visit the South Africa headquarters. I had the opportunity to view the products in use and how they resolved customers' remittance issues, thanks to my trip there.*

Along with the product experience, I would also love to appreciate the work culture and the staff at our SA office, who were warm and welcoming. Also got a chance to interact with numerous brilliant minds who manages the Hello Paisa business and finance side.

*Apart from work, we also explored the city with our colleagues along with a lot of teams building activities, outdoor activities during our weekends. This has been one of my best experiences so far. Thanks to all the lovely folks @ SA office for making this a memorable trip!! “ – **Aseem Sharma, Tech Lead, Daytona India.***

Wanting to know more??? Would you like to visualize the whole journey from the beginning with every little detail??? Well, here is more for you....

“After 24 hours of travelling with bated breath & clutched hands, finally reached SA on 18th of October 2022. Woke up with the announcement of flight attendant and was amazed at the beautiful scenic view & weather.

*While on our way to our guest house, we were stunned at the security systems in SA, wherein all the houses were fenced mostly by Fidelity security forces. Upon arrival at our guesthouse African House, we received our SIM card which was distributed by our **QMart** team throughout SA. The guest house resembled the big five of SA & warm welcome by the owner.*

*I had the privilege to meet our day-to-day work colleagues. After work, our friend Mr Nash took us for sightseeing, visiting Caves, **Cradle of mankind, Dams, Suncity, Game drive, Casinos, biggest malls** etc in SA.*

*We visited our Hello paisa store and interacted with agents who took us through all the products. We enjoyed exploring several Indian restaurants, tasting delicious & mouth-watering food from food joints like **Wimpy, Ocean basket, Spurr** etc.*

*The best part of my entire trip was to come across several PNP stores & how the locals used HP settlements at the stores. Needless to mention, our Hello pay devices were extensively used in several restaurants in the SA market. All my sincere thanks to **Daytona** team & **Hello Group** for this wonderful opportunity.” – **Sudhakar A, Team Lead, Daytona India.***

Anil Kumar Tiwari, Team Lead, Daytona India says “After arriving @ SA, we reached the Guest House, a very silent & beautiful place to stay. Since, SA is known for wild animals, the place had very beautiful Big 5 animals frames & even the rooms were named after these Big 5 animals. I was staying in a room named **"RINO"**.

Our colleagues @ SA office were extremely welcoming & soft spoken. They took their time out of their busy schedule to meet us personally & greet us. We met up with Team members handling various products for Hello group. Meeting the master minds of Hello Group “**Mr Moosa Manjra & Mr Anand Naidoo**” was a brilliant experience. In depth knowledge of Finance way of working is helping me a lot to design the Thin Ledger project I am working on. Visiting the Hello Paisa kiosk & realizing that to a great extent, it has eased the lives of the locals in SA makes it really satisfying for us.

Talking about the food & wildlife of SA, Thanks to @Nass & @Ernest for arranging such a great road trip for us allowing us to explore various places in SA such as **Sterkfontein Caves, Cradle of Humankind, Gold Reef City Theme Park, Hartbeespoort Dam, Reptile Park** & finally a weekend trip to Sun City with fantastic breath-taking water rides. We came across good Indian Restro serving variety of Indian foods & I also liked Bunny chow special & Indian dish combo. I must say, it was delicious!! Thanks to **Daytona** for this excellent opportunity & I am going to carry those lovely memories of the trip with me. 😊”

Thanks to all for sharing their beautiful experiences. This Is the best part about being a part of the Daytona Team!!
